Memories on Fifth is located at 1100 5th Street in Coralville, which is a sister city to Iowa City. It is located right along I-80 just before you get to Iowa City coming from Des Moines (heading towards Illinois) or just after Iowa City (if you are traveling from Illinois).

The easiest way to find the store is to take the 1st Avenue exit (#242) off of I-80 (not the Coral Ridge mall one, but the other Coralville one). Go south (to your right if traveling from the Des Moines area or left if you are coming from the Illinois side) on it past KFC, McDonald's, and Burger King (all on your right side). Immediately after you pass Burger King, you will come to a light. That is the intersection with 5th Street. Take a right onto it and follow it through another light until you reach a 4-way stop with 10th Avenue. You will see our post office on the far left corner of that intersection and a bank on the far right corner. The store is just two doors down from the post office (go through the 4-way stop). It is on the end of a beautiful brick building with other shops. Memories on Fifth is written in white lettering on black awnings.

There are faster ways to get there by taking the mall exit and the Coralville strip (Memories on Fifth is in the brick strip mall just behind New Pioneer Coop), but this is the best way to get there and not get lost if you aren't familiar with Coralville.
