Greetings!

One of the hottest new releases on the market is the new Sizzix line of Tim Holtz dies and embossing folders. We have ordered the entire collection. The dies are already on our shelves and the embossing folders are due to arrive sometime this month. Other great products that have come in during the last few weeks include lines from October Afternoon, Making Memories, My Mind's Eye, Doodlebug, Imaginesce, McRice, American Crafts, Fancy Pants, and 3 Bugs in A Rug, just to name a few. Boxes from Basic Grey, Pink Paisley and Webster's Pages should be arriving very soon, as well as the QuicKutz Embossing Folders we have all been waiting for. We also are expecting an awesome summer line that you are going to love from a brand new company called EchoPark Paper Co., Number Thickers from American Crafts, and Cosmo Cricket's new, hot-off-the-press, Delovely!

Don't miss out on our Blazing Hot Bazzill Weekend. Take advantage of 20% off of all of our open cardstock or pick up one of our incredibly priced Bazzill Boxes! Get one before they are all gone!

Ila Sibley joins our lineup of creative teachers this session with a darling Zoo Shape Mini Album and a Wedding Shape Mini Album. Gena has planned not one, but two Surprise Albums! Ashley is back in our classroom with an awesome Vintage layout as is Lynn Warner with two amazing classes on May 15!

As you know, we love to give free product away to our customers. This time we are giving away Free File Tubs in May and another American Crafts Basket stuffed with goodies valued at \$250 in July!
